Update from our President

Only a brief report this week because I am off tonight to the Rotary Club of Sorell for a farewell for Dennis Turner who is finally making his much talked about move to Wynyard.

Last week's visit by District Governor Michael Plunkett was a great success. It was a bit different sharing the night with Bellerive Club, but it was great to see them getting off to a what will I am sure be a great year. It was also good to see a large contingent of Clarence Sunrise Satellite Club members join us for the meeting. Welcome James and Jackson to Rotary. Clarence Sunrise are looking at holding their official launch in early October.

This week's meeting will be a little different because we are inviting the public to hear our guest speaker at 7.30pm. Our meal has been brought forward to 6.45pm so that we can be packed up ready to welcome any members of the public who join us. Will Oakley will be talking about the RACT's traffic vision for Hobart for the next 30 years. Remember, this week's meeting is 6.30 for a 6.45 start. Don't be late if you can avoid it.

Make sure you read this month's edition of the Eastern Shore Sun. Well done Daniel!

Finally some good news to finish off:

- David Lowe is making a good recovery from his fall and hopes to be at this week's meeting
- The Glass House for Risdon Vale Primary has finally been delivered to the School so we can get physical at last. Ted Laing has already put his hand up to help on the working bees. If you would also like to help send Catherine a text (0418 435 209) The plan is to do some weekend work in early September. Details will come out in a separate email

A Farewell to Rotarian Dennis Turner

Some Lindisfarne stalwarts along with a contingent from the Tasman Club attended the Rotary Club of Sorell's meeting on Monday night to farewell Rotarian Dennis Turner who is moving to Wynyard. Dennis was a member of RCOL club for a number of years, including a term as President. He is a PHF and also a recipient of a Sapphire Pin, recognizing his incredible work in the Dunalley region, post the bushfires that decimated the area.

Due to a cancellation we have been offered a BBQ at Bunnings Mornington next Saturday.

An offer that we have accepted.

We will need 5 people there at all times from about 8:30am through to 3pm.

If you are able to help please let either Peter Morgan or Secretary Richard know – we do not expect everyone to be there all day, so if you can only do a half day sessions it all helps out.

This will be our first opportunity this year to earn some hard cash so PLEASE HELP.
