

## Last Meeting - Amanda French

Dressed for Success (DFS) is a Global Organisation that Amanda brought to Hobart a little over 8 months ago – in difficult times, DFS has already helped 15 women with styling for interviews, helped 67 participants develop skills through workshops & has had over 5,000 items of clothing donated for their boutique!

The specific programs DFS offers for women are:

- Interview and employment styling
- Resume/CV support and interview preparation
- Workshops

Amanda invited Rotarians & other members of the public to support the program by donations of good quality clothing, sponsorship, fundraising & volunteering. Thanks Amanda for an interesting and very passionate insight into Dressed for Success.

# Update from our President

Three weeks since our last Bulletin, but it has been a very busy three weeks:

- Last Wednesday 15 members/partners/friends attended an Indoor Bowls and Pizza night at the bowls club. More time was spent talking and eating than bowling, but a good night was had by all. It was great to see Geoff McElwee again and get the opportunity to present him with Honorary Membership of RCOL.
- Friday evening was the launch of our Satellite Club, Clarence Sunrise. Ten members of our Club attended as did Michael and Gayle Plunkett, Heather Chong, Jodie Lowe and the Presidents of Bellerive, Howrah and Hobart Clubs. A new member of the Satellite Club, Ellie Borth, was inducted into the Club on the night by the DG, helped by her mentor Chris Woodward. They now have 10 members.
- The Operations Crew have taken possession of a BBQ Trailer that has been donated to the Satellite Club by the disbanded Rotary Club of Oatlands. They are in the process of getting it back into shape for registration. It will be a great asset for Rotary in the future.
- In an article about membership in the latest Rotary Down Under, RC of Lindisfarne was listed fourth in a list of the top 10 Clubs in Australia. Our Club has met almost every suggestion in the article. If you didn't get your electronic version of Rotary Down Under on the 1st of October, have a look in your Spam.

The next couple of weeks are likely to be just as busy:

- At this week's meeting the guest speaker will be Josh Pitt. We will also be inducting Kathy Hancock into the Club - Catherine Nicholson will be her Mentor.
- Saturday 10th October is Rotary Hat Day to raise funds for Mental Health Research. This year our fundraiser will be a little different. We are combining with the Rotary Club of Salamanca for a Quiz Night at Beltana Bowls Club on Wednesday October 14th. There will be finger food at the tables and it will cost \$20 if you wear a hat and \$25 if you don't. Peter O'Hern has agreed to be the Quiz Master. This is the 2nd Wednesday of the month, so the Board Meeting will be moved to the fourth week. We will be asking for attendee names on Wednesday.
- The Group 2 Forum is being held on Tuesday 20th October, which means we won't meet on Wednesday 21st.(hence we are meeting on 1st and 2nd weeks) See a separate notice from Richard for details. We will talk about this more on Wednesday
- We will be inducting Henry Finnis at the next meeting he is able to attend. At the moment he is travelling to the mainland for a wedding.

See you all this Wednesday, President Mike

# Did You Know?

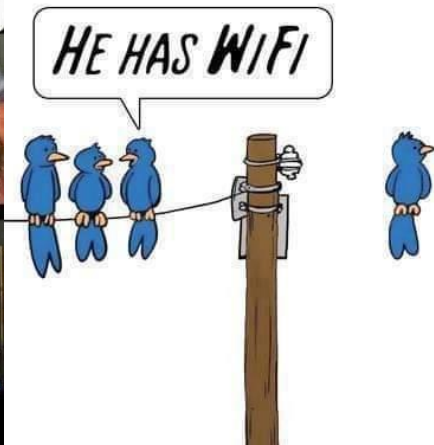

## Accreditation Process to become a recognised Tommy Choo Choo Driver

- The Lindisfarne Rotarian must have a valid drivers licence to drive a motor vehicle on a Tasmanian public road
- The Trainee Driver will be briefed in the set up and operation of the train by an Accredited Driver.
- The Trainee Driver will be briefed on risk assessment for use of the train
- When confident, the Trainee Driver will be provided with a supervisory drive (No passengers) with an Accredited Driver
- At a public event, the Trainee Driver will travel in the train behind the driver and talk through the issues with the Accredited Driver (with passengers on board)
- When both the Accredited Driver and Trainee Driver are happy, then the Trainee Driver, under supervision, will drive the train with passengers aboard
- When the Accredited Driver is confident that the Trainee Driver can operate the train unsupervised, the Trainee Driver may operate the train in a solo capacity with an Accredited Driver acting as "Guard" in the rear
- When both parties are confident in the ability of the Trainee Driver, he/she will become a probationary driver
- He/she must work at a total of three public events, driving the train under supervision, before being eligible for RCOL Accreditation
- On completion of three events the President may issue RCOL Accreditation, based on the evidence provided. If there is any dissent, the matter will be taken to the RCOL Board for determination by majority decision
- The Board decision will be final
