

Last Meeting - Josh Pitt - This is My Life

Josh, one of the Club's newer members, gave a very entertaining presentation on his life. He focused particularly on his 10 year career working in the cruise ship industry. During this time he visited an amazing 90 different countries in the world!!

Whilst talking about the long hours and stresses of the job, his presentation was interspersed with photos of bikini clad women – just one of the many challenges he had to deal with as a single male in his early 20's on a cruise boat!??!

Josh progressed through a number of roles and eventually became a "Casino Technical Manager" or "Slot Manager". In that role he was sometimes called upon to fix poker machine issues on other boats, or be involved in complete gaming room re-fits.

Josh then talked about a new business he is working very hard at getting off the ground in Hobart:

**Silver Top
Services**

The new "customer orientated" approach to getting stuff done.

THEY SAY THAT LAUGHTER IS THE BEST MEDICINE!

(with thanks to Members of the Club for sharing these via email or on social media)

HOME COVID TEST

1. Pour a large glass of red wine, try to smell it.
2. If you can smell the wine then drink it & see if you can taste it.
3. If you can taste & smell it confirms you don't have Covid.

Last night I did the test 19 times, & all were negative, thank God.

Tonight I am going to do the test again, because this morning I woke with a headache & feel like I am coming down with something.

I am so nervous!
