Congratulation to Josh on organizing such a great night and well done to the joint Quiz Masters for a range of very interesting & at times challenging questions.

Unfortunately there could be only 1 winner on the night and "Salamanca Stars" were the standout team – well done!!

Lindisfarne might be a great Club, but not so good at quiz nights, with the bottom 4 scores all having "L" next to them - Josh please remember this in future! The "Jack Jumpers" consisting of Marshall's, Horswill's & FitzGerald's were the best of a disappointing bunch!!!

# Update from our President

Sad news for everyone who knew him, Past District Governor and Charter Member of our Club, Tony Colman, passed away just over a week ago after a relatively short illness. In these Covid times he was lucky enough to have his wife Liz and his two children, Richard and Angela, with him for his last days. Anyone who was a member of our Club last Century will know Tony who was President in 1994-95. He was also honorary member Frank Henderson's brother-in-law. Tony was a well-liked and respected member of RCOL for 30 years and he and Liz were heavily involved in all our projects. Tony moved to a breakfast Club, RC of Salamanca in 2003 and was very active in their Club as well. Many of you will also remember Tony and Liz from his time as District Governor 2017-18, which was in Peter O'Hern's year. Tony attended many of our events that year and was a great supporter of our Club. He will be remembered for his friendship, sense of humour and hard work for Rotary. His funeral is at St. David's Cathedral at 12pm this coming Friday. A card has been sent from the Club.

Busy doesn't come close to describing the hectic pace since our last traditional meeting back on 5th October.

- There was a great turn up at the Quiz night we shared with the RC of Salamanca and everyone had a great time. RC of Salamanca President Pam Scott and our PP Peter O'Hern did a great job with the questions but unfortunately Salamanca easily won the small trophy Josh had prepared. Salamanca were impressed with our venue and loved the food Karen provided. Over \$100 was donated to Hat Day from each Club. Well done Josh on a great night
- The Group 2 Meeting at the Police Academy was a great success with 19 in attendance from Lindisfarne and over 70 Rotarians from the six Clubs in Group 2. It was a good chance to catch up with other Rotarians and ADG Peter and RC of Howrah should be pleased that everyone had such a good night.
- Tommy is back in action at last with an amazing mornings work at Salamanca Market on 24th October. It took a large crew of people to make everything Covid safe, but the public were prepared to wait in a queue for 40 minutes just to get a ride! Tommy hasn't lost its touch during lock down, in fact I think it is even more popular than before. In five hours we collected over \$2000 at \$4 per ride and cleaned the train nearly 40 times!! The Hobart City Council provided us with terrific publicity in the lead up to the event and want us back before Christmas. Special mention was made by the Council of the excellent condition of the train and how good it looked in action. Well done Operations Crew.

- Rotarian Daniel Hulme has continued his promotion of our Club with another article prepared for the Eastern Shore Sun. Keep an eye out for it in the November edition.

I hope every Rotarian is now getting their Rotary Down Under (arrives on the 1st of every month) and their District Monthly Newsletter. Both are easily missed so look out for them. If you actually click on the Rotary Down Under front cover you get a lot more information than the highlights show.

Have a look at the events calendar. There is plenty happening in November as well.

## NOTICES

Recently Food Plant Solutions, a project that RCOL has been supporting financially for several years, was featured in a segment on the ABC's landline.

The program explains the background to their work and Bruce French's incredible commitment to riding the world of hunger.
