

Last Meeting Sally Wise - A Life of Cooking Good Food

Sally Wise is a bestselling cookbook author, a regular guest on ABC radio and the brains behind the Sally Wise Cooking School in Tasmania's Derwent Valley. She is also a recipient of a 2021 Australia Day award for her services to cookery.

Sally's presentation was thoroughly entertaining and I think everyone present could have stayed and listened to her talk all night, given half a chance!

Congratulations Catherine N for arranging such a great speaker.

..and of course no Lindisfarne meeting would be complete without the induction of another two new members!!!

Update from our President

Last meeting was a great start to 2021 - 50 people in attendance for a great speaker - well done Catherine.

We had a very busy Board meeting last Wednesday with wide ranging discussion of upcoming events:

- Tommy has fully recovered from its recent 'trip up' and is ready to go with its first booking in March. It was pleasing to hear that the greater portion of the repair costs is likely to be covered by our insurance
- The Bunnings BBQ on Sunday was successful. The new Covid location reduces passing traffic and therefore sales, but we still cleared around \$850. Thanks to all those who helped
- The Board decided that we should go ahead and plan for our next Trash and Treasure. (Subject to any Covid 19 developments) There is a new committee being chaired by Carol Muhling, with Richards help, to take on the planning. If you are interested in helping let us know on Wednesday night.
- Geoff Noar's imminent permanent relocation to Adelaide is cause for a party. Not because he is leaving, but because it will give us a chance to celebrate his amazing contribution to the Lindisfarne community for nearly 50 years. Geoff is a highly valued Honorary Member of RCOL and will be greatly missed.
- 100 years of Rotary is coming up and there will be a special coin struck for the occasion.

Finally, we wish Ted Laing a speedy recovery from foot surgery and look forward to him returning to meetings as soon as possible.
