

Last Meeting Ange Turner - Dragon Boating

Looking incredibly fit, Ange talked about Dragon Boating in Tasmania. Ange paddles for Derwent Storm, one of 7 Dragon Boat Clubs in the State. The crew she paddles with take it very seriously and train 4 times a week!

Dragon Boat racing takes place over a number of different courses - 200m, 500m, 1k & 2k (around 4 buoys with 20 second gaps between the crews). Crews are age based 12-18, under24, 24-40, 40-50, over 60.

Ange has competed in State, National & International competitions and shared photos of some of her great successes along the way. Whilst the sport can be competitive, one of its greatest appeals is working as a team and just having fun!

Thanks Ange for a great insight into a sport that many of us see regularly on the water in Lindisfarne Bay.

Thanks Nigel for organising a great night!

Update from our President

Just a few points to highlight this week:

- Geoff Noar had an enjoyable evening last Wednesday at the Bowls Club catching up with so many old friends. Quite a few tall tales were told and I understand that some of them were even true. We all hope that Geoff enjoys the next stage in his life living in Adelaide. Thankyou Nigel for making Geoff's farewell happen.
- March is a five Wednesday Month so the fifth Wednesday will be a social evening of barefoot bowling on the synthetic green in front of where we usually meet. This will allow us to take advantage of the end of daylight savings. We will be joined by the Rotary Club North Hobart so it will be an excellent chance to meet some new likeminded people as well as have some fun. There will be a BBQ tea and some bowlers to provide some coaching. Please bring your partners and some friends.
- Your email version of Rotary Down under should have just arrived. One of the articles this month is about the upcoming "International Women's Day" event being organised by North Hobart Club. Let Margot know if you would like to attend. Tuesday 9 March 2021 6–8.30pm Turnbull Funerals \$40 includes welcome drink, hot and cold canapes.

The Club recently ran a BBQ at the opening of Chemist Warehouse in Rosny Park
