

## Last Meeting

### AG Peter Morgan - Demystifying Rotary

Assistant Governor and Lindisfarne member Peter Morgan was our speaker for the night and the purpose of his talk was to demystify Rotary.

This was of great benefit to the newer members, but it also reminded others about Rotary as a whole and in particular, what our club is/has been involved in.

# Update from our President

A quieter time this fortnight:

- It is still planned for Trash and Treasure to go ahead, slightly smaller and probably on 18th April, at the Wellington St Car Park in Lindisfarne. We are just waiting for Council permission which may arrive before this week's meeting. We will keep you informed.
- Last Sunday five members of the Club ran a BBQ to help Catherine and Alex with their fundraiser for Pancreatic Cancer. It was a very successful event with around \$18,000 raised on the day. Good weather always helps.
- The District Conference is on in Launceston this weekend. Five members of the Club are already planning to attend. If you would like to join us please give me a call.
- Last week the Board agreed to donate \$2,000 towards a \$150,000 children's playground at the Royal Hobart Hospital. This will be a major celebration of 100 years of Rotary in Australia and should be a long term reminder of Rotary's commitment to the community.

Mike Patten
