# Changeover Night - Celebrating an outstanding year for RCOL, President Mike & Club Members!

## Nine Members were recognized with Rotary Avenue of Service Awards

These are the traditional foundations of service in Rotary:

- Club Service - focuses on making clubs strong. A thriving club is anchored by strong relationships and an up-to-date strategic plan
- Vocational Service - calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society
- Community Service - encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest
- International Service - exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more
- Youth Service - recognises the importance of empowering youth and young professionals through leadership development programs such as Rotary Youth Program of Enrichment, Rotary Youth Driver Awareness, Rotary Youth Exchange, Science and Engineering Challenge

4 District Governors attend - Pres Mike receives a Sapphire PHF - and Jean finishes with a poem!

## ....and the Incoming Board is Introduced

### Update from our New President

Following on from Mike's final report, I now have the pleasure to present the first Presidents report to the Club:

- Let's start with the changeover. It was great to see a strong showing from the members and partners who attended, as well as the assortment of past and honorary members, Sunrise Club members and various dignitaries. Let us not forget the presence of the "G Train". Has there ever been a larger representation of past, present and future District Governors and ADG's at a club meeting?
- A highlight of the changeover was the many honours and praise bestowed on our now Past President Mike Patten and the Service Awards to the many worthy members of our Club.
- I had the pleasure to attend the Inner Wheel District A80 change over as a guest of my wife Lexie. Congratulations to Margot Patten for being inducted as their District Governor for 2021/2022. I hope you have a successful year and I expect that you will have a big influence. What an over-achieving couple the Patten's are! Well done to Margot in beating Mike into a DG role!
- The Sunrise Club continue to do good things and will be running Bunnings BBQ's over the next couple of months. They are also keen to get their wine tours up and running and if there is an interest from Club members or other people you know, I would be happy to pass details onto Sunrise.
- Finally, the first meeting in August will be a Club Assembly and dedicated to discussing various topics. Given both our club numbers and diversity has increased, it is time to look at things such as the structure of the Club, how our meetings are run, as well as fund raising and distribution. Before this meeting I will distribute various points that we can discuss on the night.

# THEY SAY THAT LAUGHTER IS THE BEST MEDICINE!

(with thanks to Members of the Club for sharing these via social media or email)

Home schooling science lesson went really well this week.

Next week - marketing and distribution.

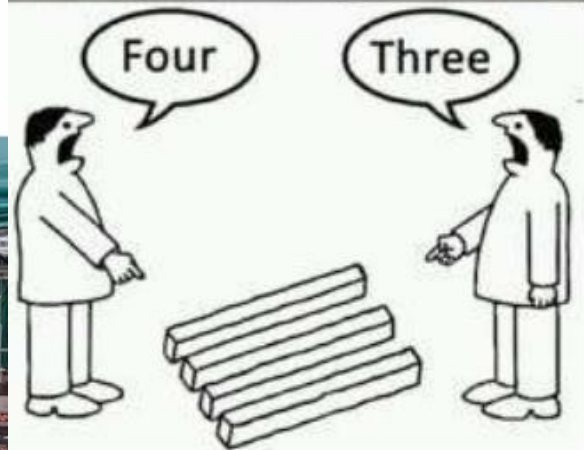

Her: "babe, can you take me to one of them places where they cook in front of you?"

Me: "say no more baby"

This is really confusing!!

Therapist: Your wife says you never buy her flowers is that true?

Him: To be honest, I never knew she sold flowers.
