Last Meeting Club Assembly - Strategy & Planning Session

Update from our President

Many thanks for all that attended and contributed to last meeting's planning session. I was aware there was a fair bit to get through in a limited amount of time and I apologise for going over time, however what came out of it was very encouraging.

Summarising the outcomes:

- We like the current format of two meetings a month and a social event on the fifth Wednesday
- The suggested draft Club structure was approved with a few tweaks. Thankyou to those who put their name on the various committees
- Suggestions for various fund raising and an endorsement for seeing if the "Taste of the Coal Valley" event is viable

This week we welcome District Governor, Heath Chong, who will talk to us about District happenings. We will be joined by members of the Rotary Club of Bellerive.

We held our monthly Board Meeting last Wednesday, where there was a discussion on meeting costs. Noting that there has not been a change for some time and costs have increased, we decided on the following increase:

- With a meal \$25
- Without a meal \$5

The above will include the cost of two up and coffee.

The Treasurer is most pleased that this might limit the number of coins!

I'll talk a bit more about the above this Wednesday.

(with thanks to Members of the Club for sharing these via social media or email)

Son: Dad, there's a small get together at school tomorrow!

Father: Small get together? ..how small?

Son: Only me...you... and the principal.
