# Last Meeting District Governor's Official Club Visit

Last meeting we welcomed the District Governor, Heather Chong, to a combined meeting with the Rotary Club of Bellerive.

Heather outlined the International goals from RI President Shekhar Mehta for the year, these included:

- Each one, bring one – a vision to increase global membership to 1.3m
- Empowering girls – through all areas of focus, particularly education
- Service days – challenging each Club to plan at least one

Rotary Day of Service that will bring together volunteers from inside and outside Rotary and will celebrate and showcase the work of your Club in your community

DG Heather challenged the Club on:

- Membership
  - Numbers & engagement
  - Enrolling & using MyRotary
- Supporting the monthly District Newsletter by sending info to be included
- Attending the District Conference on 1-3 April 2022 at the Hotel Grand Chancellor
- Supporting Rotary causes & programs like Foundation, End Polio, Aust Rotary Health, Interplast, ROMAC, RAWCS & Rotary Tas Community Care
- Finding a way to support the DG project for the homeless *#focusonthehomeless*

In conclusion, the DG reminded all Members that 2024 will mark 100 years of Rotary in Tasmania and work has already started on a District Almanac.

Thank you DG Heather for sharing your enthusiasm & passion for Rotary with us!

## Update from our President

Last meeting, we welcomed District Governor Heath Chong, who gave a talk to us about membership and the various district programs. Heather is a very busy lady, given this was meeting three of the four club visits she had that week!

On the fund-raising side of things, it is good to see Tommy had an outing over the last two Saturdays at Salamanca.

We are also starting to get enquiries about Trash and Treasure, so once we have approval for Lincoln St car park, we should be able to move forward on this.

I can report as well that the Clarence Sunrise Club had a successful Bunnings BBQ on the 22<sup>nd</sup> of August. Indications are that these BBQ's are now grossing similar figures to the pre-covid period. They are also looking to organize a quiz night in November to raise funds for a Malaria Project.

Talking about fund raising, I was invited to a golf day jointly well organized by the Claremont & Glenorchy Clubs two Sundays ago. It served two purposes, one to fund raise (which netted \$6,000) and a dry run for the AGFR (Australian Golfers Fellowship of Rotary) National event next year in Hobart. Well done to both clubs.

Lastly, a reminder that meeting costs will increase to \$25 with a meal and \$5 without. This will include the cost of two up and coffee.

President Stephen

## ...and we Induct Another Two New Members!

Welcome to the Rotary Club of Lindisfarne Grant & Liz!

# MEETING ROSTER

## PYTHAGORAS

Everything You Need To Know

## Did You Know?

When we fund raise it is relatively easy to make comparative measurements of success - We just look at the amount of money raised by each activity.

In these COVID times, money raising ventures have become rarer, but we have been busy.

Recently John Cole organised Rotary Clubs on the Eastern Shore to help with the vaccination rollout. If we count John's time co-ordinating, Neville's time designing the club roster and the amount of time members attended the Rosny Bowls Club assisting with the vaccination program, there would be a lot of hours.

For argument's sake let us say it comes to 100 hours. (It is probably a great deal more than that.) - If we go on an hourly wage rate, eg \$20..... our club raised the equivalent of \$2,000 - However if we used an invoiced hourly rate of \$60.....our club raised the equivalent of \$6,000.

It is important we measure our volunteer time - but it can be complex - some activities would cost more than others. What do you all think?

# Rotary Youth Driver Awareness

The Rotary Club of Lindisfarne is once again showing strong support for the Rotary Youth Driver Awareness Program at the showgrounds with several of our members freely giving their time to guide students around the various sessions

## Helping Grandma with the controller

Pre internet chat room using An old version of windows...

A bloke walks into a bar in New Zealand and orders a shandy. All the Kiwis sitting around the bar look up, expecting to see another Australian visitor.

The barman says, "You aren't from around here, are ya?"

The guy says, "No, I'm from Canada."

The bartender says, "What do you do in Canada?"

The guy says, "I'm a taxidermist."

The bartender says, "A tixidermist?"

What the hick is a tixidermist? Do you drive a tixi?' "No, a taxidermist doesn't drive a taxi. I mount animals."

The bartender grins and yells, "He's okay, boys. He's one of us!"

An elderly couple are worried that they are starting to forget simple things, so they go to a doctor for a checkup.

The doctor looks them over top to bottom but doesn't find anything.

"It seems you two are perfectly fine so all that I can suggest is anytime you want to remember something, simply write it down".

The couple believe that's a great idea and so they go home with renewed confidence.

Later that evening, the couple are watching television and he decides to grab a drink.

"Need anything my dear" he asks?

"Could you grab me some ice cream. Here write it down" she tells him.

"No need my dear, ice cream coming up"!

"Oh, and some chocolate sauce please. Want to write it down"?

"Ice cream with chocolate sauce, got it".

"And a cherry dear" she asks "sure you don't want to write it down"?

"Ice cream with chocolate sauce and a cherry. I've got it, Hun".

The elderly man is gone for 10 minutes and the woman begins to worry. He comes back with scrambled eggs, bacon and orange juice.

The woman looks at the food and says: "Dear, you forgot the toast"!
