Finally, a reminder to please complete the Club survey recently sent out by President Stephen:

Survey

Below is a link to a quick survey designed to gauge how you feel about our future meetings in regard to:

- Catering options
- How you feel about meeting in person.

The above will assist the Board in determining when (we meet again) and where we meet and the preferred catering option.

Also there is a question about your vaccination status.

Answers to this will be confidential with me collating the responses and coming back to you on Wednesdays zoom meeting with the overall results.

Update from our President

We had an impromptu Board meeting in January to discuss our future meetings and after considering several factors, we need to put on hold “life as normal” and to defer physical meetings for the immediate future. In the interim we will move to online meetings for this week and see how it goes for future meetings.

Thank you for those who have replied to the survey I sent out. Mainly I wanted to cover off on what the vaccination status is with the membership and the venue and catering preference for physical meetings. I will go through the results on Wednesday.

It is with regret that we have cancelled Trash and Treasure yet again. This time due to the difficulties with running a safe event during a pandemic. The Charity Dinner and Auction planned for April has not been cancelled, but will be moved to a date to be determined later this year. Another Rotary event, which you would have received an email on, is the District Conference, this has been rescheduled as well.

You would have all heard about the volcano eruption and tsunami disaster in Tonga. Tonga was severely damaged from the tsunami and immediate assistance is required to re-establish communications, transport and to provide clean water and food.

In response to the disaster Rotary Australia World Community Service (RAWCS), in partnership with their New Zealand counterparts, have set up an appeal with the aim of raising \$1,000,000. The appeal is to provide both immediate and long-term assistance to the Tongan community. The Club has donated \$600 to the appeal and will make a further donation from the net proceeds of the Bunnings BBQ scheduled for the 12th of February. An advance thanks you to those who will be running this BBQ.

Also, thanks to the Members who helped out at the vaccination clinic for the kiddies at Clarence High School. From the feedback I received, the assistance was very much appreciated and the kiddies were better behaved than the adults!

President Stephen

(with thanks to Members of the Club for sharing these via social media or email)

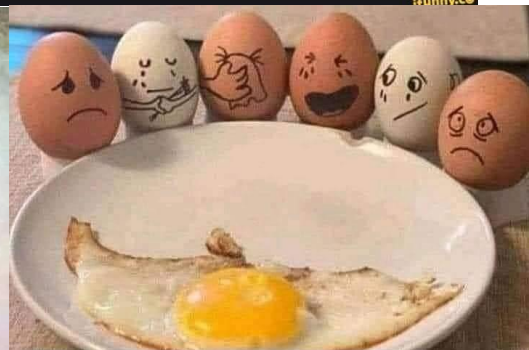

I'm opening a gym called Resolutions. It will have exercise equipment for the first two weeks and then it turns into a wine bar for the rest of the year

BREAKING NEWS:

In a shock move, English Cricket Board have announced tennis World No.1 Novak Djokovic as temporary batting coach.

"We acknowledge he doesn't have a background in our sport but we couldn't overlook the fact it took Australia two weeks to get him out."

He died last fry day. Thank God he wasn't beaten. Don't worry, he went over easy. He's now on the sunny side. He's definitely in a better plate.
