May
Saturday 28th May
Saturday 28th

A small, but good meeting held with many members away for a variety of reasons. The meeting asked that a message of support be passed onto Margot and Mike, with their best wishes for Margot's speedy recovery.

Emily Marriot spoke briefly on the upcoming Sleeping Rough event that is being held at PW1 on the night of the 27th May. She thanked us for our offer of support on the night and again in the morning of the 28th.

More information about the Club's involvement will be circulated nearer the event.

Update from our President

Firstly, you would all know about the health issues for Margot and Peter O'. I won't go into detail, but I would like to say to Margot and Mike, and Peter and Annette, that you have the Club's best wishes in your recovery and we are more than happy to provide any support you need.

To other things - The Tasmanian District Assembly is on Saturday 5th of June at Deloraine. It is an opportunity for Rotarians from across Tasmania to get together to find out and share information on what is happening in our district and the rest of the Rotary world, as well as a look forward for the coming 12 months.

There are usually sessions for Presidents Elect, Secretaries and Treasurers together with informative and interactive sessions around Membership, Social Media, Foundation & Grants, Youth, International, Vocational and Community.

Newer members of Rotary are encouraged to attend to learn more about Rotary and how to get involved in the activities and leadership of their Clubs.

If you would like to attend, please contact Richard, who is organising carpools.

I'll finish off with asking those attending this week's meeting if I can have 15 minutes of your time after the guest speaker finishes. I want to ask your opinion about structure of future meetings. So far what I am hearing is that the meeting preference is:

- Fellowship (6:30 to 7:00)
- News/discussion (15 minutes)
- Meal/Fellowship
- Guest Speaker
- Two up
- Finish

There has been a suggestion from some members that every third meeting be set aside for Club discussions.

I am happy to take on any suggestions, as these meetings are the Club's, not mine, however this comes with a caveat, in that it is not possible to please everyone on this!

President Stephen
