RCOL & Clarence Sunrise Changeover Dinner

Last Meeting

Charles Cook & Bill Oakley (Rotary Club of Sandy Bay) - Loaves & Fishes Project

Charles spoke about “Loaves and Fishes”, detailing how it had evolved out of “Second Bite”, an organisation that RCOL had some involvement with a number of years ago. It is based in Devonport with a local depot in the south, in Glenorchy. They have a contract with Coles supermarkets to collect food from them, along with a number of other sources, including some farms and small restaurants and cafés.

On the N/W Coast they currently value add to the food distribution by cooking some of the produce prior to distribution and re-heating. To do this they have a chef and a commercial grade kitchen. Following successful fundraising in the south they intend to operate similar cooking facilities next year out of “The Grange Centre” in Rokeby. The aim is to provide nutritious meals to young deserving Tasmanians. RC Sandy Bay, with the assistance of other clubs and grants, has raised \$96,000 to help with this project.

Bill talked about his Jams and chutney project that is currently raising about \$15,000 a year to also assist “Loaves and Fishes”. He personally cooks and prepares the Jams and chutney that are sold in a couple of Op shops and at various club meetings and events.

He advised that he would be happy to supply items to clubs for on selling at any event they ran, as long as “Loaves and Fishes” received their share.

Update from our President

Thanks for the good RSVP response for this week's meeting. I know some of you have quoted that this week is the "not the changeover dinner" given that there is no change in our Office Bearers. But I would disagree, given that members of our satellite club, Clarence Sunrise, will be in attendance and they have had a change in their line-up. So, something to celebrate, as well as an opportunity to have a look back on the year that was and have a chat about the year ahead.

We are also trying out new caterers, Tuckers Catering. During the week they operate seven school canteens and they hold a fair bit of stock, which means they can be reasonably flexible with numbers, as well as provide a variety of meals. They also have portable EFTPOS facilities to take payments, which will save time and effort for Kathy. So, for those attending you will need to pay Kathy \$5 to cover our costs and pay direct to Tuckers Catering for your meal. I will have a list of who has ordered what on the night.

If you like the food and you think this could be a good option for future meetings, please let me know. I note that there may need to be a slight change in our fee to cover off on use of the Bowls Club kitchen facilities.

This is short notice, but the Rotary Youth Driver Awareness Program (RYDA) is coming up in August (1st to 16th) at the Showgrounds. They will be looking for marshals. It is a very good day and for those who haven't been before, you will certainly learn something! Look out for invite to this soon.

President Stephen

Remember to advise the Club of your attendance & meal requirement before every meeting

OPERATIONS UPDATE

Just like so many of us in RCoL, the truck has been “re-tyred”!

We have had 5 new tyres fitted to the Isuzu truck. The tyres on the truck were over 14 years old, hardening and a bit slippery! [another similarity to some RCoL members!].

The Club got a very good deal from Bridgestone Tyres in Derwent Park. The manager, an ex Kingston Rotarian and a Paul Harris Fellow, understands and appreciates what Rotary Clubs do, and has sold us the tyres below cost, effectively a donation of some \$750 to our club! Many thanks Peter Killick.

Ted Kulinski

CHARITY DINNER & AUCTION

Saturday 29 October 2022

Blundstone Arena

6.30pm for 7pm start

\$85 per head (Bank details below)

Tables of 10-12
