PRESIDENTS REPORT

This Wednesday I welcome both members and partners and District Governor, Bob Calvert, to our Christmas Dinner for 2022.

I like to keep this type of event as a light and casual affair but there will be a few things to talk about.

I have asked various members of the Board to provide a short talk on the night about our achievements for the calendar year, which there have been more than a few.

I will also hand out some Presidential awards and we will have the drawing of the major raffle from the highly successful Charity Dinner and Auction.

Also, a reminder to you that the following Wednesday will be our AGM.

I look forward to enjoying our Christmas do with you on Wednesday - Stephen

Everything in this picture is now in your pocket.

OPERATIONS REPORT

A large number of club members have worked with us over the past two weekends raising money for the Club. The Board thank each and every one of you for your magnificent effort.

From my perspective you have helped demonstrate just how active we are in our community.

We undertook two full days of train operations at the Bush Fest in Bothwell, (Thanks to past President Peter Rasmussen for spending the day with us)

A Community Sausage Sizzle was conducted on behalf of the Terry White Pharmacy in Lindisfarne. Tommy again operated at the Brighton Block Christmas Party to great community acclaim and finally we were able to support the Rotary Club of Claremont at their Billy Cart Derby in Claremont.

Thank you to Richard, Henry, Neville, Peter M, Peter Ras, Mike Cuthbertson, Margaret, Catherine , Kathy, Amanda, Marcus, Liz, Daniel, Grant, Dante, Chris, Phil. if I have missed anyone I apologise. Margot , Kesh and Fiona W managed to provide quality control taste testing in Lindisfarne, so it has truly been a great Club double Weekend. Many of our members volunteered on more than one occasion- thank you.

Over the next fortnight Neville, Henry and Nigel head to Ouse for the Medical Practice Christmas Party. I hope you enjoy yourselves. It's absolutely fabulous operating Tommy within the Historic Homestead and Farm.

On the eighth we have Tommy and a BBQ for Bunnings (more detail below) and Steve's Swim School a regular charterer of the train. With Steve's Swim school we are going to trial a different way of raising some additional funds through renting our BBQ trailer with one of our people supervising and see if that has the potential to raise funds in the future.

I thank the small group of Rotarians who regularly work to ensure that Tommy , the BBQ Trailer and purchasing stores remains at a high standard and provide the lead logistical support for events. Thanks Henry, Neville David and Richard.

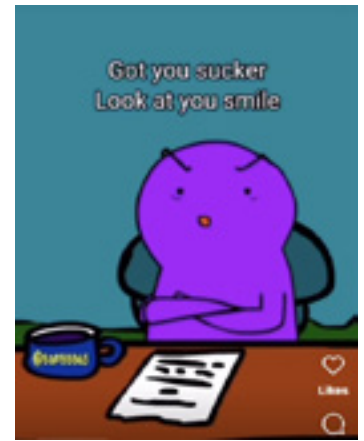

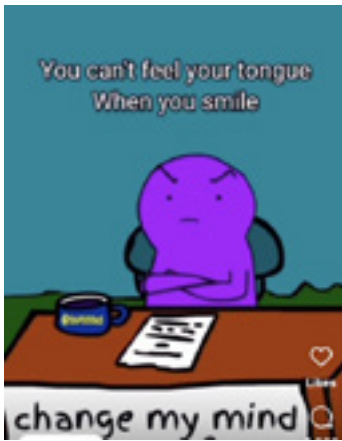

FEEDBACK

We received feedback from the Tarremah Steiner School P&F Spring Fair Committee: -

Thank you once again for being a part of our Spring Fair this year. The feedback we have had has been overwhelmingly positive, with many people in the community commenting on the wonderful vibe and variety of attractions available throughout the day. Thank you for your team's contribution to creating such a wonderful atmosphere and a truly memorable day.

HELP NEEDED

We have accepted the request to operate the BBQ at the Bunnings promotional event. Having said that, we will need lots of help from Club Members on the night.

We will need to operate two BBQs to cook and serve using both bain maries and distribute between 900 and 1000 free sausages.

Email or message Peter Morgan if you can assist. We will of course have our donation tin in clear sight.

The train crew will operate separately but we will only need three people for this.

CLARENCE SUNRISE

\$2508.43 RAISED

Can you answer the following questions?

(trigger warning)

What is the deepest lake in Australia?

Who is represented on the \$50 note?

In what sport would you use the term 'crab'?

What is Josh's favourite quiz question genre?

The Clarence Sunrise Rotary Club held their major fundraiser on October 15th raising monies for Rotarians Against Malaria.

Despite the cool weather outside, the atmosphere inside the Lindisfarne Community Hall was full of fun, food, paper planes and silent auctions.

Congratulations to all those involved in the night, to the major sponsor Madden Builders for their support and to the club for putting us to shame with another wonderful quiz night, though we might all need to scrub up on our Star Wars knowledge!

The Clarence Sunrise Club have also been out and about supporting the community and the Bellerive Rotary Club at the CREATE Foundation Halloween Event.

The Marquee and BBQ trailer were used by CREATE foundation in this project which was a great community service project to be involved in.
