FROM THE PRESS

Acceptance of New Constitution and By-Laws

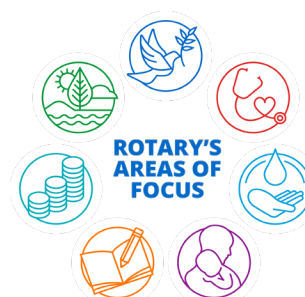

Club members must be given 21 days to review these amended documents prior to a vote being taken on their acceptance.

Copies were distributed (16th January 2023) for your perusal.

A vote to accept these amendments will be put to the club at our meeting on the 15th February.

The documents will be resent closer to that time so that members who can not attend in person can vote electronically.

Although there are a lot of words in both documents the changes and wording will not change the way our club and Clarence Sunrise currently operate. They are just a legal requirement placed on us by Rotary International.

NEPAL TRIP 2023

Planning is well underway for the proposed trip to Nepal in early May of this year.

Margaret Congram is currently looking into airfares and accommodation requirements at the Cooking School in Kathmandu.

If you are interested in going on this trip please contact Margaret ASAP as spaces are limited.

Duration will be approx 2 weeks with overall costs looking like being in the vicinity of \$5,000 pp – this will depend on the best airfares that are available at the time.

Accommodation will be at the Cooking School and may require some people to share a room. Accommodation will be basic not 5 star.

There will be opportunities to extend your stay or travel on after the visit.

Again please contact Margaret on

margjcon@gmail.com or 0434 378 214 ASAP for more details
