LAST MEETING

New Member Talk - SUSAN GARDNER

Susan grew up in Springfield/ West Moonah amongst migrant families. At the time, the area had no sewage and no streets. Her Father was a 5th generation Geeves, descendent of Fanny Geeves (Geeveston Fanny apples). Her Mother was an Indonesian-Dutch migrant.

Susan was introduced into Guides by a primary school friend Karen. Whilst studying teaching where she majored in French, Susan was encouraged to reply to an advertisement seeking Cub leaders. This started a 30-year involvement in the Scouts as a leader and in 1996 led to her setting up the Scout Museum at The Lea. Susan continues her involvement as Scout Group leader and working in the Scout Museum and has served as Commissioner for Heritage.

Throughout this time, Susan also managed a career as a teacher until her retirement from Abbotsfield School. One of the notable periods for Susan was some time spent at the Albuera St assessment centre where she was involved with observing students who had been removed from other schools.

Susan was married to Robert in 1976, raising a family in Mt Nelson and later in Lindisfarne. She is office bearer for Modern Language Teachers Association of Tasmania (MLTAT), a judge for Tournament of Minds for 20-years, involved with the Lindisfarne Historical Society and is a Pandani committee member.

PRESIDENT'S REPORT

Firstly, I was bit slack in not doing a report for the last newsletter (my apologies to the Editor). So, I hereby, and belatedly, welcome you to the new year for our Club.

Secondly, I like to thank those who put their hands up at the AGM last year to take on our key positions for 2023/2024. A special thanks to Nigel for taking on the Presidents role which has reduced my stress levels quite considerably!

Our next meeting, we will have the pleasure of Anthony Elder, who founded the Risdon Vale Bike Collective back in 2003. The Collective has now grown to be known as the Tasmanian Bike Collective receiving quite a few community awards along the way. Ant will provide an update to us on what they do.

Be prepared for a busy month in March!

According to my event list, we have two Club meetings, five Tommy events and two BBQ's. Also amongst there will be our 50th Anniversary celebration at the MYCT and the Rotary Expo at Princes Wharf.

If you are available to assist at any of these events please have a chat to Liz or Peter Morgan.

An update on us taking on selling Bill's Jams at the Saturday Kangaroo Bay market.

For those who were not at the last meeting, the idea is that Eastern Shore Clubs would help Bill out by taking over his stall and selling his jams as well as our own items (Beeswax wraps) on a roster basis. I asked for who would be interested in running the stall and based on the number of hands raised we can go ahead with this. The Rotary Club of Sandy Bay are the organiser of this, and I have indicated to them that we could do one day a month from April. I'm now waiting to hear back from them for further details.

I look forward to seeing you at our meeting this week.

President Stephen

FOUNDATION MOMENTS

Quick insights into *your* charity — The Rotary Foundation

How does The Rotary Foundation use donations?

The Rotary Foundation transforms charitable contributions into

- programs that **fight polio** and **build peace**
- **humanitarian projects** that change lives and
- **scholarships** and **vocational training**.

The funds are also used to support **local projects** about which Rotary members are passionate.

As a global organisation that operates in nearly every country, Rotary takes **stewardship** of its funds seriously and we've received Charity Navigator's top four-star rating for the last 14 years in a row.

The Rotary Foundation *Cadre of Technical Advisers* helps ensure that grant funds are spent properly. In addition, trained members oversee the use of funds at the club and district level.

Find financial details and stories about how donations are used in the most recent **Annual Report**.

Rotary Clarence Sunrise

Clarence Sunrise Club have started the year with a breakfast business meeting last week at the Hurricane Cafe, Blundstone Arena.

Sunday 12th February saw some of the members attend the 185th Royal Hobart Regatta BBQ to cater for those involved in the various river events.

The food for the BBQ and a financial donation was provided to Rotary by the Royal Hobart Regatta Association. The BBQ trailer and physical cooking was done by the Clarence Sunrise Club team members.

If you know a someone who may be interested in joining a community minded club, head over to the **Clarence Sunrise Rotary** facebook page and make contact with them for more details.

Inadvertently just signed off a work email 'Should you have any questions please don't. Hesitate to ask. ' I'm sticking with it.

YOUTH EXCHANGE

We have recommenced Youth Exchange with 2 students overseas leaving a couple of weeks ago and are looking to bring a cohort of inbound students in July 2023, for 12 months.

Are you able to host a student for a couple of months?

RCOL UNIFORM

With all the events we have on this year, a reminder to check uniforms.

Lindisfarne club uniforms with the club name and Rotary logo are available for purchase through Margot.

Polo shirts, fleece jackets and soft shell jackets are available to try on in some sizes, or Margot can order through what you need.

Generation Gap! 😂

NO EXPERIENCE - NO WORRIES

Contact Liz or Peter M to put your name down to help out one or more of our events.
No experience necessary!!!!

Mix things up by putting framed quotes meant for the kitchen into the bathroom

THE BEESWAX WRAP PROCESS

1. The set up - note the floor!

4. Coat the fabric in the beeswax then hang it out to dry

2. Carefully... measure and cut the fabric

5. Put to good use

LOVE IT?

SELL IT. BUY IT. GIFT IT.

Contact Kathy or come along and visit us at Bill's Jams (or any RCOL event) to stock up.

How much cling wrap could you save?

3. Melt the BeesWax mix - this takes time

Thanks for the coffee Neville :)
