Change Over Dinner Poem - Jean Grosse

Lord Tennyson wrote :

“The old order changeth yielding place to new,
And God fulfills himself in many ways
Lest one good order should corrupt the world”
And so it is with Rotary & the role of President -
when their time is up, you wonder where they went!
Stephen’s done a good job & I don’t think he’s corrupt-
But I’d like to ask the members, when cross did he erupt?
(Though we know how he feels
about the range & cost of meals)

He looks a bit relieved now to be returning to the ranks
But now the order’s changing it’s time we gave him thanks.

The new order arriveth with Captain Nigel at the head
“It’ll all be just plain sailing” I think is what he said.
And he’ll sail the Club through waves smooth or rough
In these hard seas, the money-raising issue is so tough
And BBQ’s, Tommy & Bunnings might not be enough.
So before he pulls the anchor, members do your stuff

And help Nigel and his merry team

Find a local project that we deem

Big enough to be a sweet Rotary dream-

While still minding all the little things

For in this Lindisfarne Club we all know- (all together now)

‘FROM LITTLE THINGS, BIG THINGS GROW!!’

PRESIDENT'S REPORT

The Changeover Dinner held in our new venue was a most enjoyable night. There were 47 members and partners present including PDG Bob and Kay Calvert, DG Mike and Margot Patten and the Mayor of Clarence Brendan Blomely. I congratulated Stephen and his team on a job well done over the last two years and introduced the new Board members.

The Board held its first meeting last Wednesday and it was agreed that our club and the Sunrise Club will work more collaboratively especially in relation to resource sharing. Also, on reviewing the structure of the Board I have appointed Peter O'Hern to be Director Youth.

Our club is involved in many Rotary 'youth' activities and to include it under Projects reduces the focus to both.

We have a pretty full program over the next six months with BBQ's and Tommy bookings and it would be good if we can spread the load amongst all members. I also encourage members to take part in the training program that David Lowe has drawn up for Tommy that will occur on Saturday 16 September and Saturday 21 October. It is also looking hopeful that we may have found a new home for Tommy and we expect a decision on this shortly.

Next Wednesday will be our first 'normal' meeting at the MYCT and the procedure for ordering meals is outlined elsewhere in this bulletin. Please also note that our meetings will commence with the guest speaker delivering their presentation. This presents an ideal opportunity to promote our club amongst the local community particularly the MYCT and the RSL membership that has a combined membership of nearly 1000. The intention is to extend an invitation to members through the MYCT newsletter to join us to hear any presentation that may interest them. At the end of the presentation visitors may leave or stay.

Applications are now open for District grants and the amount has been raised from \$2000 to \$3000. The closing date is 31 August 23. I ask all members to think of a project/s that the Club could undertake and which would be eligible for a grant. Examples of previous grants have been: AED's for the local community, tents for Scouts, a water project in the Solomons, Risdon Vale School Kitchen Garden, and Friends of Nepal education scholarships

On 1 August I will be meeting with AG Peter Fitzgerald and the other Group 2 Club Presidents where I will be looking for opportunities whereby the clubs can work together to achieve greater outcomes.

Yours in Rotary

Nigel G

RYPEN - HELP SOUGHT

We are in the early planning stages for RYPEN. This year it will be held at Woodfield, Dysart from 15-17 September.

We are looking for a couple of rotarians for our committee. It would be primarily to help plan activities for the weekend and also make contact with schools to get information out to year 10 students. If you would bring this request to your club, I would be more than happy to discuss it with them. My contact details are below .

With many thanks.

Thank you to the Eastern Shore Sun for this profile of District Governor Mike Patten - a very effective article explaining Rotary District 9830 priorities for the coming year.

Rotary's new Governor

LINDISFARNE Rotarian Mike Patten has been installed as District Governor for the 46 Rotary clubs in Tasmania for the upcoming year.

Mr Patten and his wife Margot are both former presidents of the Rotary Club of Lindisfarne and have been advocates for the modernisation of Rotary, including the support of diversity, equity and inclusion.

Mr Patten said this appointment, which is for one year from 1 July, was the result of decades of hard work and involvement with Rotary clubs and other volunteer organisations in Tasmania.

"I've been a member of the Rotary Club of Lindisfarne since 2000 and in the past two decades I've supported both my own club and others across the state," he said.

"I've had experience with multiple state-wide volunteer groups including six years as chief commissioner of Scouts Tasmania.

"As Governor I plan to continue the Rotary mission

from a worldwide perspective and locally."

The theme of Mr Patten's year as Governor will be "Create Hope in the World". He hopes the community will support Rotary Tasmania's focus on empowering women and preventing domestic violence.

"From a broad perspective Rotary is aiming to be more involved in raising awareness and access to services for

mental health," Mr Patton said.

"Locally we are currently focusing on funding gynaecological cancer trials and raising awareness for the consequences of domestic violence.

"It's imperative that we inform perpetrators of domestic violence that their actions are not appropriate and I'm sure this message will be received well by the community."

NOTICES

PROCEDURE FOR ORDERING MEALS AT MYCT

As our formal meetings commence at 7.00pm those attending and who wish to dine are requested to:

- Prior to 7.00pm place and pay for your order at the bar. Menus are available at the ordering point.
- **Please inform the staff member taking your order that you are 'Rotary'.**
- You will be allocated a number that you should take with you and place it in front of you once seated.
- Drinks may also be purchased at the bar.
- After the meal all crockery and cutlery is to be placed on a table near the door.

At this stage we will be trialling a new format for our meetings in that guest speakers will deliver their presentation at the beginning of a meeting and the meal will follow. Normal business will be conducted after the meal.
