#### LAST MEETING

2 August  
Luke Gardner - Bridgewater Bridge  
Redevelopment

#### THIS MEETING

16 August  
Club Assembly  
Chair: Chris Woodward  
Reception: Kathy

#### NEXT MEETING

30 Aug - Social Event (TBC)

Donated by the Rotary Club of Lindisfarne, the collection of glasses in vibrant hues now graces the faces of the children that attended the free eye clinic in Nepal. Their expressions radiate hope and gratitude. Against Nepal's picturesque backdrop, the image resonates as a poignant testament to compassion in action.

#### **CAN YOU HELP!**

Nigel and David L. are hopefully getting the key to the new home for Tommy on Monday and if it checks out OK we will be needing a working bee on a Saturday to clean out the shed. Photos of external attached.

#### Procedure for Ordering Meals

To make it easier for the serving of meals the procedure for ordering has been changed slightly.

Rather than members being allocated an individual number when placing their order each table will now be allocated a number.

Upon arrival members are requested to choose the table they will be seated at and advise the appropriate table number to the staff member taking your order.

Meals will now be delivered at 7:30pm which will allow sufficient time for presentations to be completed.

# PRESIDENT'S REPORT

Our meeting this week is listed as a Club Assembly but when one considers our new meeting format it has been decided to still have a guest speaker deliver a presentation before the meal arrives at 7:30pm. After the meal there will still be sufficient time to talk club issues.

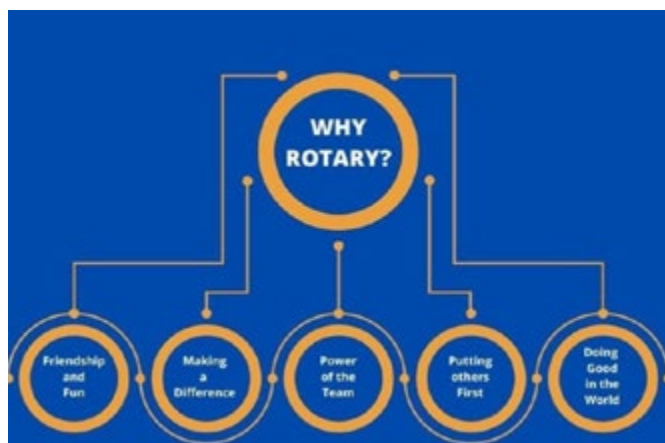

The guest speaker will be local identity Geoff Cashion of the Lindisfarne Historical Society who will enlighten us with some local history. After the meal we will go into club assembly mode and to facilitate discussion I would like members to reflect on the following questions that have been extracted from an RI Member Interest Survey:

1. What are your expectations for club meetings or the topics you want addressed there?
2. How do you feel about the meeting format?
3. How do you feel about how often the club meets?
4. How do you feel about the club's fee, dues, and other costs?
5. What do you want most from your experience as a member?
6. What opportunities would keep you interested and improve your Rotary experience?
7. What needs in our community do you think are most vital for our club to address through service projects?
8. Are there any organisations that you would like the club to work with to address needs locally or internationally?

We will break up into our respective teams, discuss the above, get the vibe and then each team will report back to the Assembly.

Yours in Rotary

Nigel G

## OPERATIONS UPDATE - CLARENCE SUNRISE CLUB

DATE	EVENT
25 AUG	Social Catch Up - Beltana Bowls Club
26 AUG	Lindisfarne Soccer Club BBQ
24 SEPT	Bunnings BBQ
11 NOV	Quiz Night

What a fantastic get-together we had last Monday! Our club meeting was graced by the presence of some wonderful individuals - Mike, the enthusiastic DG, the ever-dedicated Margo, Stephen, Peter the Assistant Governor, and a guest from Howrah Rotary. The cherry on top of the morning was Stephen's heartfelt moment as he recognized Jackson and Hannah, shining stars among us, with the Avenues of Service awards. Their commitment to making a difference is truly inspiring.

Don't forget to check out our calendar to come and support our events.

The next activity for RCOL is the MYCT Boat Parts and whatever sale – can't think of the full name. Kathy is organising a stall and is looking for items. We will have the BBQ selling sausages, hamburgers and cordial. We will also hire out tables.

Neville, Chris and Peter M will be organising the setting up etc. A couple of troops to assist with preparing and selling would be appreciated.

Let one of us know if you can help out!

## RYDA

The RYDA (Rotary Youth Driver Awareness) initiative is a collaborative community effort aimed at enhancing road safety among young drivers and passengers. Conducted in partnership with Rotary and supported by corporate sponsors, the program offers practical road safety insights to youth, particularly those approaching the age of driving. Geared towards grade 10 students in Tasmania, the initiative is led by a diverse group of professionals including road safety experts, driving instructors, law enforcement officials, survivors of road accidents, and substance abuse educators. By emphasizing attitude and awareness, RYDA strives to equip students with the knowledge and mindset to become responsible and safe individuals on the road. The program spans the entire state, emphasizing the importance of road safety education.

RYDA is operating this year at the Claremont College from **Monday, 21st August to Friday, 8th September**. Times required are from 9am to 2pm. Morning tea, coffee/tea and lunch will be provided.

The club has been approached to provide volunteer guides to take class groups from one activity point to another. A briefing for guides will be provided before each day's activities start.

Behaviour management will be the responsibility of the teachers. RYDA activities will be the responsibility of the facilitators.

## MICROAGGRESSIONS

Microaggressions can cause lasting pain...

In a tight knit small membership service club, camaraderie and shared goals often take center stage. Yet, beneath the surface, subtle dynamics can impact members' experiences. It's worth shedding light on a concept that might not be immediately familiar but can greatly influence the club's environment: microaggressions.

Microaggressions, those seemingly harmless comments or actions that carry underlying biases, have the potential to erode the club's sense of inclusivity. They might manifest as offhand remarks or assumptions about someone's background, inadvertently making them feel marginalized.

Recognizing these subtle slights is the first step toward fostering an environment where all members feel respected and valued.

Check out the 3-minute interactive lesson below to familiarise yourself with what it is all about.

Just for Fun

**Don't eat the blue ice cream, You'll be up all night...**

A man, his wife, and his mother-in-law went on vacation to the Holy Land. While they were there, the mother-in-law passed away. An undertaker told them "You can have her shipped home for \$5,000, or you can bury her here in the Holy Land for \$250."

The man thought about it and told him he would have her shipped home.

The undertaker asked "Why? Why would you spend \$5,000 to ship your mother-in-law home when it would be wonderful to have her buried here and only spend \$250?"

The man said, "A man died here 2,000 years ago. He was buried here and 3 days later, he rose from the dead. I just can't take the chance!"
